INDIAN LEGAL RAG EVALUATION QUESTION PAPER

100 questions based exclusively on the three supplied Act PDFs

Question distribution

Motor Vehicles Act, 1988 — 34 questions

Digital Personal Data Protection Act, 2023 — 33 questions

Consumer Protection Act, 2019 — 33 questions

Contents

Part 1: Motor Vehicles Act, 1988 (Q001–Q034)

Part 2: Digital Personal Data Protection Act, 2023 (Q035–Q067)

Part 3: Consumer Protection Act, 2019 (Q068–Q100)

Instructions: Answer each question using the supplied source Acts. No answers or supporting evidence are included in this question paper.

Part 1: Motor Vehicles Act, 1988

34 questions

Q001 — Scenario-based

A person who has no driving licence is found driving a motor vehicle on a public road. What requirement in the Act has been breached?

Q002 — Definition

How does the Act describe a “contract carriage”?

Q003 — Definition

What qualifies as a “goods carriage” under the Act?

Q004 — Definition

What does the term “driving licence” mean in the Act?

Q005 — Scenario-based

A 17-year-old wants to drive a motorcycle with an engine capacity above the limit mentioned in the Act. What age restriction applies?

Q006 — Rights and obligations

What responsibility does an owner have if they cause or permit a person to drive in contravention of the licensing and age requirements?

Q007 — Procedure

What is the process for applying for and obtaining a learner’s licence?

Q008 — Procedure

What conditions and process govern the grant of a driving licence?

Q009 — Conditions and exceptions

For how long does a driving licence remain effective, and how does the Act distinguish licence validity by class of vehicle?

Q010 — Procedure

What does the Act provide about renewal of a driving licence?

Q011 — Scenario-based

A person brings an unregistered vehicle onto a public road. What registration requirement applies?

Q012 — Procedure

What information and documents must accompany an application to register a motor vehicle?

Q013 — Conditions and exceptions

In what circumstances may a motor vehicle receive temporary registration, and what is its duration?

Q014 — Procedure

What steps must be followed when ownership of a registered motor vehicle is transferred?

Q015 — Conditions and exceptions

When may a vehicle’s registration be suspended because of its condition or use?

Q016 — Rights and obligations

A transport vehicle is being operated without a valid certificate of fitness. What requirement under the Act is relevant?

Q017 — Scenario-based

An owner starts using a vehicle to carry passengers for hire without obtaining a permit. What requirement applies?

Q018 — Authorities and powers

What powers may the State Government exercise to control road transport in the public interest?

Q019 — Authorities and powers

Which transport authorities are constituted under the Act, and what is their basic role?

Q020 — Procedure

What factors and process govern the grant of a stage carriage permit?

Q021 — Procedure

What is required for the grant of a contract carriage permit?

Q022 — Procedure

How does the Act prescribe the process for applying for and granting permits?

Q023 — Conditions and exceptions

What does the Act provide about the duration and renewal of permits?

Q024 — Rights and obligations

What general conditions must be complied with by holders of permits?

Q025 — Rights and obligations

What restrictions does the Act place on the hours of work of drivers of motor vehicles?

Q026 — Rights and obligations

A driver ignores a traffic sign while driving. What duty does the Act impose?

Q027 — Rights and obligations

Who is required to wear protective headgear, and what exception is stated in the provision?

Q028 — Rights and obligations

What documents must a driver produce when required by a police officer or other authorised person?

Q029 — Scenario-based

A driver is involved in a road accident in which a person is injured. What immediate duties does the Act place on the driver?

Q030 — Conditions and exceptions

When is it unlawful to use a motor vehicle in a public place without insurance against third-party risk?

Q031 — Rights and obligations

What requirements must a policy of insurance satisfy, and what limits of liability does the provision specify?

Q032 — Scenario-based

An unidentified vehicle causes an accident and leaves the scene. What special compensation provision is relevant to a hit-and-run motor accident?

Q033 — Procedure

Who may apply for compensation arising out of a motor vehicle accident, and what does the application provision require?

Q034 — Scenario-based

A person drives a motor vehicle after consuming alcohol. What testing power and procedure may be relevant under the Act?

Part 2: Digital Personal Data Protection Act, 2023

33 questions

Q035 — Definition

Who is a “Data Fiduciary” under the Act?

Q036 — Definition

Who is treated as the “Data Principal”, including where the individual is a child or a person with disability?

Q037 — Definition

What events or actions fall within the definition of a “personal data breach”?

Q038 — Definition

What activities are included within “processing” of personal data?

Q039 — Definition

Who is considered a “child” for the purposes of the Act?

Q040 — Scenario-based

A company outside India processes digital personal data while offering services to individuals in India. When does the Act apply to that processing?

Q041 — Scenario-based

An individual posts personal information about herself publicly on social media. Does the Act apply to that publicly available information?

Q042 — Rights and obligations

On what grounds may a person process a Data Principal’s personal data?

Q043 — Rights and obligations

What information must a Data Fiduciary include in or provide with a notice seeking consent?

Q044 — Conditions and exceptions

What qualities must consent have, and how must it relate to the specified purpose?

Q045 — Rights and obligations

What right does a Data Principal have to withdraw consent, and what happens after withdrawal?

Q046 — Scenario-based

A mobile app seeks consent to use a person’s contact list even though that access is unnecessary for the requested service. How does the Act limit the consent?

Q047 — Conditions and exceptions

For what specified-purpose situations may a Data Fiduciary process personal data as a certain legitimate use?

Q048 — Rights and obligations

What reasonable security safeguards must a Data Fiduciary take to prevent a personal data breach?

Q049 — Rights and obligations

What must a Data Fiduciary do when a personal data breach occurs?

Q050 — Scenario-based

An online platform proposes to process the personal data of a 16-year-old. What additional requirements apply before processing?

Q051 — Authorities and powers

When may the Central Government notify a Data Fiduciary as a Significant Data Fiduciary?

Q052 — Rights and obligations

A user asks a Data Fiduciary to disclose whether it is processing her personal data and provide information about that processing. What right may she exercise?

Q053 — Rights and obligations

What rights does a Data Principal have to correction, completion, updating and erasure of personal data?

Q054 — Procedure

A user cannot resolve a data-related complaint with a Data Fiduciary. What grievance mechanism must the Data Fiduciary make available?

Q055 — Rights and obligations

When may a Data Principal nominate another individual, and when may the nominee exercise that right?

Q056 — Rights and obligations

What duties must a Data Principal perform under the Act?

Q057 — Scenario-based

A Data Fiduciary plans to transfer personal data to a country outside India. What restriction or permission framework does the Act provide?

Q058 — Conditions and exceptions

Which provisions or classes of processing may be exempted from the Act under the listed circumstances?

Q059 — Authorities and powers

How is the Data Protection Board of India established and what is its composition?

Q060 — Procedure

What steps may the Board take after receiving an intimation, complaint, reference or direction?

Q061 — Authorities and powers

What powers does the Board have to summon persons, receive evidence and inspect records during an inquiry?

Q062 — Procedure

Within what period may an aggrieved person appeal a Board order, and what may the Appellate Tribunal do?

Q063 — Procedure

When may the Board direct parties to attempt resolution of a dispute through mediation?

Q064 — Procedure

What may a voluntary undertaking contain, and what is the consequence of failing to comply with it?

Q065 — Penalties, liabilities and authorities

What factors must the Board consider when determining the amount of a monetary penalty?

Q066 — Scenario-based

A company suffers a breach that compromises the confidentiality of personal data. Which security and notification obligations are relevant?

Q067 — Scenario-based

A Data Principal withdraws consent for a service, but a separate legal requirement authorises continued processing. What does the Act say about cessation of processing?

Part 3: Consumer Protection Act, 2019

33 questions

Q068 — Definition

Who qualifies as a “consumer” when goods are purchased or services are hired?

Q069 — Definition

Who may be a “complainant” under the Act, including where the consumer is a minor or has died?

Q070 — Definition

What is a “complaint” for the purposes of the Act?

Q071 — Rights and obligations

What consumer rights are expressly recognised by the Act?

Q072 — Definition

What constitutes a “defect” in goods or products?

Q073 — Definition

What does “deficiency” in a service include?

Q074 — Definition

When is an advertisement considered misleading under the Act?

Q075 — Definition

What is meant by “product liability” under the Act?

Q076 — Scenario-based

A tailor buys a sewing machine and uses it personally to earn a livelihood through self-employment. Does the Act treat the tailor as a consumer?

Q077 — Scenario-based

A person buys goods online for personal use and an approved family member uses them. Can the family member fall within the Act’s definition of consumer?

Q078 — Authorities and powers

How is the Central Consumer Protection Authority established under the Act?

Q079 — Authorities and powers

What are the principal functions and powers of the Central Authority in protecting consumer rights?

Q080 — Procedure

What may the Central Authority do after receiving information or a complaint about a violation of consumer rights?

Q081 — Authorities and powers

What powers does the Central Authority have where an investigation establishes that goods are dangerous, hazardous or unsafe?

Q082 — Penalties, liabilities and authorities

What directions or penalties may be imposed in relation to a false or misleading advertisement?

Q083 — Scenario-based

A seller imposes a term requiring a consumer to pay a manifestly excessive security deposit. How may the Act characterise that contract term?

Q084 — Definition

What activities are included in “e-commerce” under the Act?

Q085 — Scenario-based

A Commission considers that a consumer dispute may be resolved through mediation. What process may it follow?

Q086 — Conditions and exceptions

What monetary jurisdictional limits distinguish the District, State and National Commissions in the Act’s original text?

Q087 — Procedure

A consumer wants to file a written complaint before a District Commission. What does the Act provide about institution of the complaint?

Q088 — Conditions and exceptions

A consumer files a complaint more than two years after the cause of action arose. In what circumstances may the Commission still admit it?

Q089 — Rights and obligations

What reliefs may a District Commission order when a complaint is proved?

Q090 — Scenario-based

A trader sells goods but refuses to issue a bill or receipt. How does the Act characterise this practice?

Q091 — Penalties, liabilities and authorities

When can a manufacturer be held liable in a product liability action?

Q092 — Conditions and exceptions

When can a product liability action not be brought against a product seller, and what warning-related exceptions are stated?

Q093 — Penalties, liabilities and authorities

When may a product service provider be liable for harm caused by a product?

Q094 — Scenario-based

A seller markets a product but is not its manufacturer. What circumstances in the Act may nevertheless make the seller liable for product harm?

Q095 — Procedure

How may an appeal be filed against an order of the District Commission, and what time limit applies?

Q096 — Authorities and powers

What powers does the National Commission have to review or transfer matters under the Act?

Q097 — Penalties, liabilities and authorities

What penalty may be imposed on a person for a false or misleading advertisement under the Act?

Q098 — Penalties, liabilities and authorities

What punishment may apply when a product containing an adulterant causes grievous hurt or the death of a consumer?

Q099 — Definition

A consumer discovers that a service provider deliberately withheld relevant information, causing loss. How does the Act characterise this conduct?

Q100 — Definition

Several consumers have the same interest and wish to pursue a complaint together. Who may act as complainant under the Act?
